## ways you can help CLAW

### 1. Donate

CLAW has a comprehensive wishlist, you could get contributions from friends, colleagues and family or help collect vital items. Please contact CLAW if you wish to receive a copy of our wishlist!

### 2. Network

Raise awareness and spread the word about CLAW. Please join us on Facebook and Twitter and share our work and our CLAWbies looking for FURRever homes.

### 3. Fund Raise

CLAW relies heavily on financial assistance from the public. You could set up a fundraiser, do a sporting event with CLAW as a beneficiary, or set up a monthly debit order or perhaps leave something to CLAW in your will.

### 4. Be Responsible

Be a responsible owner, animal advocate and role model. Spay and neuter your pets, provide health care, socialization, exercise, stimulation and training. Provide proper identification. All these help to prevent further stretching resources of animal welfare organisations and shelters.

### 5. Volunteer

Cuddle some puppies, clean a cage, groom or walk our CLAWbies - your visits help socialise and give our shelter animals some much appreciated TLC, stimulation and entertainment!

### 6. Foster

CLAW is always looking for Foster homes to help rehabilitate special needs cases, bottle feed newly borns and assist the very young, the traumatised or heartbroken, the frail or recuperating CLAWbies, mums and their newborns. Fostering saves lives and is hugely rewarding!!!

### Adopt

We always have a PAWsome selection of furbabies and older CLAWbies in the shelter looking for forever homes. Please don't shop, rather adopt VISIT <http://CLAWadoptions.org>
